SUPPLEMENTARY INFORMATION

MANAGEMENT USE REPORTS

Information for Management: Unless separate arrangements have been made with the financial institution, all bank balances are insured through the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per institution. Please review the bank balances on the balance sheet to make certain FDIC insurance covers all bank balances.

An independent study to determine a current funding program for the future replacement of Association common areas has not been conducted. Accordingly the current regular assessments and cash in savings may not be sufficient to meet all future replacement costs. Therefore, when replacement funds are needed, the Association has the right to increase the regular assessment, pass special assessments, or delay replacements until funds are available.

Electronic fund transfers (For Consumer Accounts Only. Commercial Accounts refer to the Commercial Bank Services Agreement.)
Services such as Bill Payments and Zelle® are subject to the terms and conditions governing those services, which may not provide an error resolution process in all cases. Please refer to the terms and conditions for those services.

In case of errors or questions about your electronic fund transfers, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, IMMEDIATELY call 1-844-487-8478 or write to:

Fraud Management
P.O. Box 1014
Charlotte, NC 28201

Tell us as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and deposit account number (if any)
- Describe the error or transfer you are unsure of, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you also send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or questions for ATM transactions made within the United States and up to ninety (90) days for new accounts, foreign initiated transactions and point-of-sale transactions. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, minus a maximum of $50. If we ask you to put your complaint in writing, and we do not receive it within ten (10) business days, we may not re-credit your account and you will not have use of the money during the time it takes us to complete our investigation.

Tell us AT ONCE if you believe your access device has been lost or stolen, or someone may have electronically transferred money from your account without your permission, or someone has used information from a check to conduct an unauthorized electronic fund transfer. If you tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, you can lose no more than $50 if someone makes electronic transfers without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your access device or the unauthorized transaction, and we can prove we could have stopped someone from making electronic transfers without your permission if you had told us, you could lose as much as $500. Also, if your periodic statement shows transfers you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time.

Important information about your Truist Ready Now Credit Line Account
Once advances are made from your Truist Ready Now Credit Line Account, an INTEREST CHARGE will automatically be imposed on the account's outstanding "Average daily balance." The **INTEREST CHARGE** is calculated by applying the "Daily periodic rate" to the "Average daily balance" of your account (including current transactions) and multiplying this figure by the number of days in the billing cycle. To get the "Average daily balance," we take the beginning account balance each day, add any new advances or debits, and subtract any payments or credits and the last unpaid **INTEREST CHARGE**. This gives us the daily balance. Then we add all of the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "Average daily balance."

Billing Rights Summary

We must hear from you no later than sixty (60) days after we sent you the FIRST statement on which the error or problem appeared. You may telephone us, but doing so will not preserve your rights. In your letter, please provide the following information:

- Your name and account number
- Describe the error or transfer you are unsure about, and explain in detail why you believe this is an error or why you need more information

What to Do If You Think You Find a Mistake On Your Statement

If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe briefly and clearly the error you think there is on your bill. Describe what you believe is wrong and why you believe it is a mistake.

If you have questions regarding the error appearing on your statement,

You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the interest or any other late fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.

We can apply any unpaid amount against your credit limit. Your account will be adjusted accordingly. Interest, late fees, and other charges may continue to accrue on the amount you owe.

If we decide that you owe the money, we will send you a written notice telling you that we have concluded that you owe the money and the date that payment is due. If you receive this notice but still do not pay in full by that date, we may report you as delinquent.

If we decide that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.

We will tell you the results within three business days after we finish our investigation. If we decide that we made a mistake, we will promptly credit your account for the amount in question, and for any interest or fees that were charged to your account. We will tell you the amount we have credited. We will follow the rules in this section.

If we decide that we did not make a mistake, you will not have to pay the amount in question, but you may have to pay interest and fees related to this amount. We will tell you the date we will begin collection activity.

If you receive our explanation but still believe your bill is wrong, you must write us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are disputing your bill, and we must tell you the name of anyone we reported you to. We must tell you the name of anyone we reported you to. We must tell any questioned bill is finally resolved.

If we don't follow these rules, we can't collect the first $50 of the disputed amount, even if your bill was correct.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase was made in response to an advertisement we mailed to you, or was made at a store owned by us or operated under our trademark or was made after you received a direct mail solicitation we sent.
2. You paid for the purchase with your account with us.
3. The purchase price was more than $50. (Note: Neither of these rights applies to purchases made with cash advances or with special checks that access your account.)
4. You made a good faith effort to return the property or resolve the problem with the merchant.
5. You are within the city limits of your mailing address, or within 100 miles of your current address, and the purchase was not made after you received a direct mail solicitation we sent.

Your Billing Rights: Keep This Notice for Future Use

This notice contains important rights you have to correct errors on your account and how you must proceed to exercise them. We must follow these rules to protect your rights. Please read this notice carefully.

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.
3. Tell us the dollar amount of the suspected error.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.
- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe. If you receive our explanation but still believe your bill is wrong, you must write us back within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are disputing your bill, and we must tell you the name of anyone we reported you to. We must tell you if we stop reporting your account to others because you refuse to pay your bill. We must tell anyone we report you to that you have a question about your bill. And we must tell you the name of anyone we reported you to. We must tell any questioned bill is finally resolved.

If we don't follow these rules, we can't collect the first $50 of your bill, even if your bill was correct.
